

## **Let's Get Started:**

If you want to make phone calls for Vice President Kamala Harris, you can connect with voters in 7 battleground states anytime between 9:00 AM - 11:00 PM (after 9:00 PM the West Coast states are the only focus). You may begin calling at 7:00 AM on Nov 5.

You will need a **smart phone** along with a **laptop or tablet** to make the phone calls.

Even if you can only make calls for 30 minutes, that might make a big difference in reaching a few more voters who need to make their plan to get to the polls and Vote!
