2020 IS THE MOST IMPORTANT ELECTION OF OUR LIVES

Our national values, our public institutions, and, indeed, our very democracy, are at stake. Electing Democrats this November will show Virginia, and the country, that we believe:

Every American, no matter their race, sex, ethnicity or national origin, language, religion, sexual orientation, gender identity, age, or disability, is equal.

All Americans deserve accessible, high quality, and affordable health care.

We must rebuild our economy more equitably so that we all have the opportunity to thrive and to provide a better future for our children.

Reforming our criminal justice system and safeguarding the voting rights of all Americans are urgent moral imperatives.

American service members, veterans, and workers represent the best of this country, and they deserve the best from us.

Climate change requires immediate mitigation, as does environmental racism.
